MYSTERY TOURS

Many hundreds of Sun Tours travelers have enjoyed our Mystery Tours since we began offering them in 1998. They have become our most popular tours. We started with driving tours then added flying Mystery Tours.

For 2011 we have 3 different Mystery Tours planned. The flying Mystery Tour in May is sold out. The driving Mystery Tour in July is full but we have just added a second departure. See page 3.

For the first time ever we are offering a Christmas Mystery Tour. This will be a fun option for those who like to travel with Sun Tours over Christmas. See page 11.

We already have some Mystery Tours destinations in mind for 2012 so there will be more to look forward to.

Those who get too big for their britches will be exposed in the end.

KARL'S KORNER

As this winter comes to a close, we have readied our tours and cruises for next winter including a great contingent of holiday tours. There are a few new tours and a lot of old favorites. I hope that you find some that are appealing. If you do, sign up right away. This year most of our tours sold out quickly and some people missed out.

We only put new tours and cruises in this April catalog. The other tours listed on the back page were in the January catalog (with the Wisconsin cow on the cover), on line at www.suntoursus.com, and available by calling the office.

If you are an art lover, you might enjoy our tour to San Francisco which features a major show of Picasso's work at the de Young Museum and a Dutch & Flemish Masters show at the Legion of Honor.

It was great to see so many of you at the Oceania Cruises Preview in February. Over 100 clients got the scoop on Oceania's brand-new ship the *Marina*, and on Oceania's elegant, yet casual, style. Sun Tours has three group cruises with Oceania in 2011— Alaska, Italy, and the Caribbean. There's still time to get on board!

Happy Trails,

Karl
