We meet at the airport to fly to ????. Now, at least we know where we are flying to. But where will we go next? When we arrive at our destination, we drive to a smaller city with a lovely setting. Our hotel, where we lodge two nights, has great views.

**DAY 2** **????????????** **CB,L**

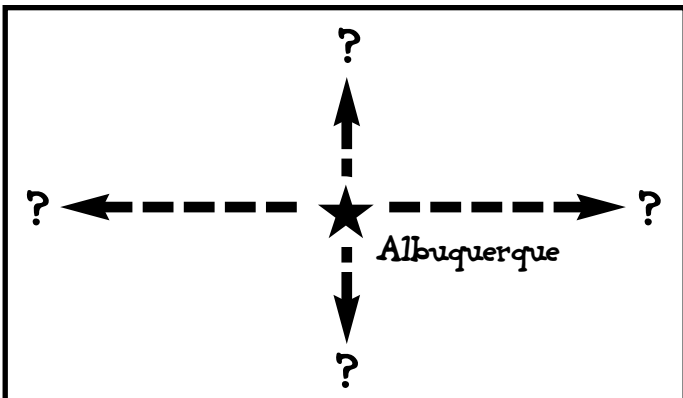

Our morning guided tour introduces us to this important commercial city and its fascinating history. Then we drive along a shore to some waterfalls and to a historic structure built almost a century ago. The scenery is great. Are the leaves turning here?

**DAY 3** **????????????** **CB,L**

We go to a sparsely inhabited forest region to reach some attractions representative of this area. Our lunch today is what the old timers had when they worked here. We reach our hotel in a city located on a well-known river. Are the leaves turning here?

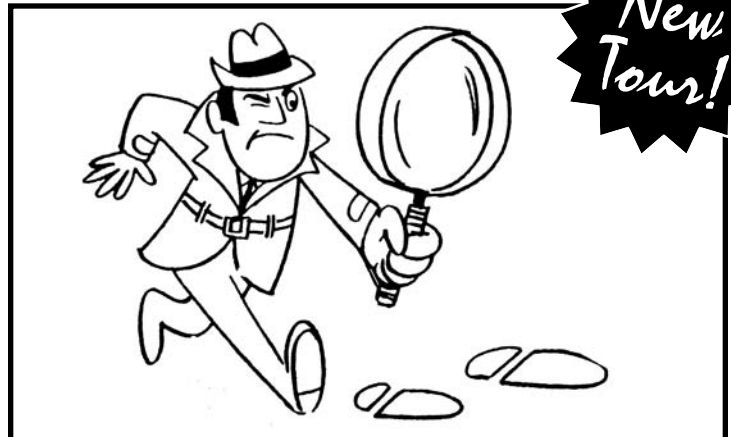

**DAY 4** **????????????** **B**

We visit the home of a very famous singer, then, learn about the area's largest industry. After seeing a living history farm showing farm life in the 1870s we drive to a large city where we lodge three nights.

Sept. 28 - Oct. 4, 2010

7 Days

**DAY 5** **????????????** **B,D**

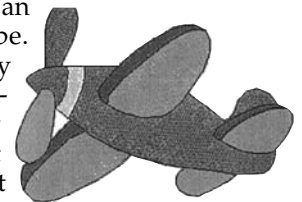

Our local guide shows us the heritage and beauty of this exciting and fascinating city. We have free time this afternoon to explore the city from our centrally-located hotel. Tonight we dine out at a historic house that showcases an ethnic cuisine.

**DAY 6** **????????????** **B**

Our morning excursion takes us to a charming town with a well-known name. A local guide gives us the history of the town, then we explore it on our own. This afternoon we choose between a shopping experience or a unique art and cultural museum housed in an impressive and historic house.

**DAY 7** **????????????** **B,L**

We cross into another state to see an attraction with an unusual shape. Then we cross back and visit a lovely tourist town where we dine at a historic inn. Are the leaves turning here?
