DAY 1 **HOME / ????????** **L**
We drive to another state where we lodge in a small town. Lunch en route is at a restaurant with small town friendliness in addition to tasty simple fare. Tonight we snuggle into our beds for a well-deserved rest.

DAY 2 **???????????????** **B**
We reach a large city where we visit two attractions, one historical and the other featuring natural beauty. Then we continue to another city where we lodge one night.

"A friend of mine asked me why in the world I would want to spend my money on a trip to an unknown destination. This trip is a perfect answer. All I can say is, 'Wow.' I can't imagine being able to plan a trip, on my own, where I could see so many different out of the ordinary places, plus participate in diverse activities in such a short period of time. Add to that a comfortable bus, an excellent driver, and a guide who was able to keep a divergent group of people busy, interested, happy, and curious as to the next special treat around the corner. Who could ask for anything more?" —Dorothy G.

DAY 3 **???????????????** **CB,L,D**
Our tour in this interesting city features an architectural style that was once the international rage. Lunch is at a ranch overlooking a lake. We continue to a city where we enjoy an orientation tour, see a famous structure, enjoy dinner and a special style show with some local ladies, and lodge one night.

DAY 4 **???????????????** **CB,L**
We drive to a museum with fascinating collections of art and artifacts which was once the home of a famous businessman. We continue to a city with a colorful history where we visit two interesting museums and tour a historic building. We lodge here one night.

DAY 5 **???????????????** **CB,L**
We tour a mansion built by the city's most famous citizen, a businessman and a politician. Then, we drive to a city that was prominent one century ago. Because it soon lost its economic base, the city didn't grow and the original Victorian architecture remains intact. We visit an imposing attraction here and have time to explore the shops in the historic downtown. Then we drive to our lodgings in another city.

DAY 6 **???????????????** **B**
We see one final attraction before heading for home. It's been another fun Mystery Tour. When is the next one?
