June 11	Hamilton		2:00 PM
June 12	AT SEA		
June 13	New York	Disembark AM	Fly Home

Bermuda is an overseas territory of the United Kingdom composed of small islands located in the mid Atlantic Ocean, just a 1½ day sail from New York. The climate is idyllic, without the heat of the Caribbean. The architecture, history, and culture are British, softened by the ocean breezes. As Mark Twain said, "You can go to heaven if you want to—I'd rather stay here in Bermuda."

The entire town of **St. George's** is a World Heritage Site. St. George's, established in 1612, is the oldest English-speaking colonial town still in existence. It exudes British village charm with its historic town square, harbor, heraldic signs, buildings made of hand-quarried stone, and narrow cobbled streets.

Hamilton is now Bermuda's seat of government. Its changing skyline shows a once sleepy town transformed into a bustling financial center. Watch for "bobbies in bird cages" directing traffic and white wigged judges walking to court. Browse the arcades of Reid Street for unique mementos. Head up to Fort Hamilton for a spectacular view of the harbor.

June 5 - 13, 2010
