KARL'S KORNER

The country's mood has swung like a pendulum. We went from overexuberance to panic. Now we are in between. It feels like we've been on a roller coaster ride. It's a relief to get off. Maybe things will stay calm for a while.

Here at Sun Tours we just keep doing our thing, trying to provide the happiest travel experiences possible.

This catalog features some old favorites and some new choices. We have had so much interest in an Alaska land tour that we are offering Alaska & the Yukon itinerary. This tour is not available anywhere else and goes to the "real" Alaska. Check it out on pages 12-13.

Another trip that I am excited about is our Bermuda cruise with Holland America Cruise Line. Linda, our Director of Cruises, has cruised to Bermuda and says that it is beautiful and charming, her favorite island, in fact.

We are still in the process of calling everyone to gather email addresses. By early next year we will be geared up to contact you quickly if a special offer has to be acted upon quickly.

Happy Trails,

Karl

Lena and Ole

Ole died. So Lena went to the local paper to put a notice in the obituaries. The gentleman at the counter, after offering his condolences, asked Lena what she would like to say about Ole.

Lena replied, "You yust put 'Ole died.'"

The gentleman, somewhat perplexed, said, "That's it? Just 'Ole died?' Surely, there must be something more you'd like to say about Ole. If it's money you're concerned about, the first five words are free. We must say something more."

So Lena pondered for a few minutes and finally said, "O.K. You put 'Ole died. Boat for sale.'"
